Order

No. Acad/PER/20/94/Vol. III/1234

Read: Show Cause Notice No. Acad/Bch/11/06/
/Vol. III/055 dated 4-6-2009.

Whereas, the Director of Education vide above referred show cause notice pointed out to the School Management of Rauji Rane Memorial High School, Maulinguem, Bicholim their various acts of irregularities as regards to the maintenance of school records, not filling the post of Headmaster even after obtaining NOC several times.

And whereas, the Chairman of the School Managing Committee sought time to file the reply but subsequently filed replied vide letter dated 17-6-2009, interalia, stating therein that the School Managing Committee has not contravened any provision of the Goa School Education Act, 1984 and rules made thereunder nor neglected to perform any duties or obligation imposed on it by the Act and Rules.

And whereas, the Chairman in his reply stated that the action of the School Management is sending proposal for obtaining NOC immediately after voluntary retirement of Shri P. G. Malik and getting NOC renewal indicates that the School Management was actively intending to fill the vacant post of Headmaster for the school.

And whereas, the Chairman stated that the School academic activities as well as administrative activities of the school were not hampered during all these years as the temporary arrangement was made to discharge the duties of the Headmaster.

And whereas, the Chairman further stated that the petitioner of W. P. No. 92/09 herself was functioning as acting headmistress with the full powers and she has filed the petition to get her appointment as Headmaster on regular basis on promotion. He also stated that the Manager has been authorized to take care to complete the administrative procedures so that in immediate future the DPC will be convened and vacant post of Headmaster will be filled in.

And whereas, the Chairman contended that due to some problems, the petitioner could not be appointed as Headmistress on regular basis. The Chairman stated though the DPC met on 16-4-2009 authorising the manager due to sickness of the Chairman to chair and conduct the proceedings etc. but the DPC could not come to decision for want of updated and up-to-date relevant

documents including annual confidential report of the teachers who were included in the zone of consideration.

And whereas, the Chairman contended that the right of the petitioner who is functioning as acting headmistress for regular appointment cannot be a ground for invoking Rule 56 of the Education Rules, 1986 and Section 20 of the Goa School Education Act, 1984. Hence, the Government cannot invoke Section 20 of the School Education Act, 1984 to take over the Management of the school.

And whereas, the Chairman also contended that they have taken all steps to fill the post by promotion but the compliance of some requirements delayed the same. He further submitted that the School Management has handed the charge of Headmaster to a senior teacher who is conversant with the rules and regulations of the school administration. The Management with the speed and need of requirement will be able to update the records and convene DPC and appoint the Headmaster to fill the vacant post at the earliest. The Chairman prayed that no action be taken to invoke Section 20 of the Goa School Education Act, 1984.

And whereas, the Director of Education did not accept the arguments put forth by the Chairman stating that he has not contravened any provisions of the Goa School Education Act, 1984 and rules made thereunder. There is enough evidence to show that the School Manager has contravened the provisions of the Goa School Education Act, 1984 and rules made thereunder.

And whereas, it is pertinent to state that the School Management obtained NOC to fill the vacant post of Headmaster but failed to fill the post without any justifiable reasons. The Chairman states that the post was not filled due to some reasons without stating the reasons which made him not to fill the post.

And whereas, the Chairman inspite of the opportunity given to conduct DPC to fill the post has acted in an arbitrary manner and failed to conduct DPC to fill the post of Headmaster as regular basis. The School Management has failed to maintain proper school records as required under the Goa School Education Act and rules made thereunder. The School Management has also shown scant regard to the instructions issued by the Departmental Authority to fill the post of Headmaster.

And whereas, after going through the material on record, arguments of the Chairman that he has not contravened the provisions of the Act and Rules is devoid of merit and cannot be accepted. There is enough evidence on record to show that the School Managing Committee has contravened the provisions of the Goa School Education Act, 1984 and Rules made thereunder and has neglected to perform duty on or obligation imposed on it by or under the Act.

Now, after detailed examination of the reply submitted by the Chairman, the Government is convinced of the circumstance of Rauji Rane Memorial High School, Maulinguem, Bicholim by invoking the provisions of sub-section (1) of Section 20 of the Goa School Education Act, 1984.

Therefore, in accordance to the provisions of the said sub-section (1) of Section 20 of the Goa School Education Act, 1984, the Government hereby orders to take over the Management of Rauji Rane Memorial High School, Maulinguem, Bicholim with immediate effect for a period of three years in the first instance and Shri R. W. Dhande, Dy. Education Officer, North Education Zone, Mapusa is hereby appointed as Authorised Officer on behalf of the Director of Education, Government of Goa to manage the affairs of the school. The Authorised Officer shall discharge his duties as per the provisions of Goa School Education Act, 1984 and Rules made thereunder and as per the instructions issued to him by the Directorate of Education from time to time. Among other things the Authorised Officer shall:

- 1 exercise full control over administrative, financial and academic matters of the school and ensure that all the employees of the school are punctual in attendance and prompt in discharge of the duties entrusted to them by general or special orders as deemed fit;
- 2 be responsible for maintaining strict discipline on the part of all the employees including the Headmaster and students of the school;
- 3 be responsible to ensure that all the employees of the school including the Headmaster are present in the school during office hours as prescribed by the Authorised Officer and no employee including the Headmaster shall be allowed to leave the premises of the school without prior written permission of the Authorised Officer and that representations, if any, shall be routed through the Authorised Officer;
- 4 be responsible to visit the school frequently as possible so as to ascertain that the school functions at right time and all the employees of the school including the Headmaster discharge their duties sincerely, honestly and efficiently to the satisfaction of the public and the Department;
- 5 ensure that in case of the employees, including the Headmaster act in contravention of the instructions of the Authorised Officer or if there is any act of indiscipline or insubordination or flouting of the instructions issued by the Authorised Officer, such cases shall be dealt with as per the provision of Goa School Education Act, 1984 and the Rules made thereunder.

The Government is also pleased to order that:

- (i) The School Managing Committee of Rauji Rane Memorial High School, Maulinguem, Bicholim hand over the entire school files and other records to the Authorised Officer immediately;
- (ii) The school staff account fund and the pupil's fund shall be made available to the Authorised Officer for being spent for the purpose in respect of the school and that;
- (iii) The Authorised Officer shall have the right to open any account in any Bank or draw money from the School Fund or School Staff Account Fund as referred to in Section 10 of the Goa School Education Act, 1984. After the Management of the school at any time before the date on which the Management of the school is taken over shall have the right to draw money from the School Fund or School Staff Account Fund.

By order and in the name of the Governor of Goa.

Dr. Celsa Pinto, Director of Education ex officio and Joint Secretary.
